

Legislative Section:

Opens on the Legislative Alert Page During the Legislative Session.
Otherwise opens on the Legislative Issues Page.
Generally concerns all things legislative.

Legislative Alert / Legislative Issues Page:

Shortly before and during the Montana Legislative Session, if there are emergency alerts, the website will open on this page when you type in our website name. Otherwise, the site opens on the Home Page.

When the Legislature is not in session, or there are no other legislative emergencies, this page is a general Legislative Issues page.
